Commissioner Bob Bauer  
Commissioner Cristina Rodriguez  
Co-Chairs, Presidential Commission on the  
Supreme Court of the United States  
1600 Pennsylvania Avenue, N.W.  
Washington, D.C. 20500

Dear Commissioner Bauer and Commissioner Rodriguez,

Despite the President's inability to alter the Supreme Court, President Biden established your commission to pacify the far left. We write to remind you that Article III, Section 1 states "The judicial Power of the United States, shall be vested in one supreme Court, and in such inferior Courts as the Congress may from time to time ordain and establish." As such, Congress retains exclusive authority to amend or preserve the Supreme Court.

We would like to remind you of the growing congressional momentum currently backing S.J. Res. 9 and H.J.Res.11 - Proposing an amendment to the Constitution of the United States to require that the Supreme Court of the United States be composed of nine justices.

Our resolution has gained significant momentum in both Chambers, with 18 Senators and 173 Members of the House signed on as cosponsors. Please see below for all Members of Congress who have pledged their support for this resolution:
