127A Russell Senate Office Building

Dear Senator Cruz,

The officers and board members of Voices of JOE would like to thank you for your willingness to introduce Eric's Law into the 118th Congress. We would like to have our organizations name listed among those who formally endorse this bill.

Voices of JOE was founded by the families of the fallen Federal Corrections Officers, and we work diligently for the safety and justice of law enforcement officers and workers. We will put every effort into supporting and promoting Eric's Law by lobbying, writing letters, and holding roundtable media events.

Thank you for all you do.

**Yours truly,
Don Williams**
